

SUPPLY CHAIN POLICY

As DYO BOYA FABRİKALARI A.Ş., which conducts production and sales activities in the Industrial, Automotive, Furniture, Marine, Construction Paints, Powder Coating, and Insulation sectors:

-We are committed to promoting our responsible and sustainable supply chain approach,

-While adopting an approach that considers environmental, social, and ethical values, and emphasizes the development of society to create sustainable value, we will also strive to ensure that all our suppliers and stakeholders adopt similar behaviours,

-We will not accept any gifts from suppliers that may give the impression of impropriety, create a dependency relationship, or be perceived as such, apart from commercial materials and promotional items,

-We will manage all resources such as materials, information, technology, money, methods, labour, and other assets within the entire supply chain network effectively and in an integrated manner,

-We will keep records of all supply chain activities accurately and transparently, storing them in compliance with legal requirements,

-We will ensure that all operations within our supply chain comply with legal requirements and ethical standards,

-We will consider quality and delivery performance in the selection of suppliers,

-We will collaborate with our suppliers to encourage continuous improvement, providing feedback and sharing best practices,

-We will analyse risks within the supply chain and implement preventive and corrective actions.
