

## OUR CLIMATE CHANGE POLICY

As DYO BOYA FABRİKALARI A.Ş., which conducts production and sales activities in the industrial, automotive, furniture, marine, construction paints, powder coating, and insulation sectors, we pledge:

- To work to reduce the negative impacts of climate change in all our activities and internal operations.
- To take the necessary actions in line with the targets we have set to reduce greenhouse gas emissions.
- To prioritize risks that may arise from climate change in our processes and work in collaboration with our stakeholders in risk and change management.
- To regularly monitor developments, risks, and opportunities related to sustainability.
- To cooperate with relevant official institutions to ensure sustainable infrastructure, protect water resources, prevent and/or reduce pollution, and enhance and protect biodiversity and ecosystems within the scope of combating and adapting to climate change.
